NOTE FOR:

Secretariat, SIG-I

STAT

The attached action is forwarded for SIG-I consideration. Would appreciate your making required distribution of Gen Stilwell's memorandum and attachment, as well as early advisement of the proposed SIG-I meeting date/time.

Please note that although this correspondence is being routed through the IG/CM and SIG-I systems for review and comment, it remains an independent Attorney General action. Accordingly, DoJ (Mary Lawton -- 633-5600) will sponsor the action before the SIG-I. DoJ will also directly forward the paper to the NSC after obtaining SIG-I comments. The results of SIG-I deliberations should, therefore, be coordinated with her.

Would also appreciate attendance at these deliberations in the capacity as Executive Secretary to the IG/CM.
